Students who apply under Early Action will be notified of admission decisions beginning Dec. 15.

Regular Decision

Students will be notified of admission decisions beginning March 15.

TRANSFER APPLICANTS

You can apply as a candidate for transfer admission if you hold a high school diploma (or its equivalent) and have completed a minimum of 12 credit hours at an accredited college or university. Students who have already received a bachelor's degree and want to complete a second bachelor's degree program should fill out the Second Degree Application, which can be found at <http://admissions.cua.edu/pdfs.html>.

Transfer applicants are encouraged to submit application materials as early as possible for the semester in which admission is sought. Transfer admission decisions are made on a rolling basis.

Transfer applicants are required to submit a certification of good standing along with their application. They can submit any of the following: **1)** Common Application's College Official's Report, **2)** CUA's Certification of Good Standing form, or **3)** a letter of good standing from your dean of students, academic adviser, registrar, etc., stating that you are in good academic standing, are eligible to return to the institution, and an explanation of any disciplinary actions. One of these forms needs to be mailed to CUA Office of Undergraduate Admissions directly from the college official.

OFFICIAL TRANSCRIPTS

Freshmen: Complete Part I of the Secondary School Report (page 8) and forward it to your high school guidance counselor who will complete Part II and submit it directly to CUA with an official transcript.

Transfers: Contact your high school and request an official transcript. This is required regardless of your high school graduation date. Transfer applicants must also submit one official transcript from all colleges and universities attended. Applicants are judged primarily on the strength of their previous college experience. Applicants who have completed fewer than 24 credits at the college level will be judged on their college work, high school transcripts, and SAT or ACT scores. A Certification of Good Standing is also required. (see pg. 1)

STANDARDIZED TESTS

Request that all of your test results be sent directly to The Catholic University of America.

SAT or ACT: The highest scores presented will be considered from any administration or combination of administrations. Students submitting scores from the ACT in lieu of the SAT I test should submit the optional writing section of the ACT as well. We recommend sending all test scores from each "sitting" or administration.

SAT II: CUA uses SAT II subject tests for placement purposes only. Applicants enrolling in the School of Arts and Sciences or the School of Philosophy should submit SAT II test results in a foreign language.

Students who have taken SAT II tests in other subject areas also are encouraged to submit scores. For more information, visit <http://admissions.cua.edu/test>.

Note for transfer students: SAT/ACT scores may be waived if you have completed at least 24 college credits.

Ask this individual to write a brief, one-page appraisal of your academic and personal qualities and your potential as a student at Catholic University. It should be submitted with your Undergraduate Application for Admission.
